PUMPKIN DASH 5K

We are excited to welcome you to the 7th annual Honda Federal Credit Union Pumpkin Dash 5k presented by North Main Motors.

Over the course of the last 7 years, this event has grown and this year we have broken the 1,000 registrant mark for the third time in a row (and even exceeded last year's numbers). For that we thank you.

If you are from out of town, Welcome to Marysville. Each year participants come from multiple states and many different cities. This year we have participants from Indiana, Pennsylvania, Kansas, California, Minnesota, and many other states showing that this is truly a family event!

Again this year, our Charity Partner, the Monarch Track Backers, will receive a portion of the proceeds. The Monarch Track Backers supports the Track and Cross Country program at Marysville High School.

To our fantastic sponsors, the Honda Federal Credit Union, North Main Motors, First Federal Community Bank, Cromwell Dental Care, Richwood Bank, URE, Memorial Sports Medicine, Coldwell Banker King Thompson, and Body Armor, thank you.
This race would not be possible without you.

We also want to thank the City of Marysville, the Marysville Police, Recreation, Fire and the Public Service Departments for their continued support of this event.

Lastly, thank you to all of our amazing volunteers. Your assistance is crucial to our success.

Happy Thanksgiving and have a great race!

5K Start Order

Self Seeding

In order to ensure you run or walk with participants of like pace, you should self seed yourself based on your pace. Faster runners to the front, joggers in the middle, and walkers and strollers toward the rear.

Animals

For safety purposes, only service animals will be allowed at this event. A service animal is a working animal, not a pet.

Little Pumpkin Dash

The Little Pumpkin Dashers will begin to line up at 8:45 am under the start/finish line.

100 yard dash

Kids 4 years and younger - 8:55 am start

200 yard dash

Kids 5 to 6 year olds - 9:00 am start

* Parents may walk/run with their child.

Timing Chips and Bib Numbers

When you check-in you will receive a white envelope. Inside the envelope will be your bib number, timing chip and two twist ties. You will need to use the twist ties to attach the timing chip to one of your shoes (see photo sequence below). Please DO NOT attach the chip to your shoe with your shoes laces as this can break the chip and cause you to not receive a time.

The timing chips are reusable. At the end of the race, you will use your timing chip to exchange it for a medal.

Please ensure you bring your shoe tag with you the morning of the race. Your shoe tag will serve as your "ticket" at the end of the race to receive a medal. We want to ensure that only registered **and** participating individuals receive a medal.

Chip Time vs. Gun Time

This event will be chip timed. Two times will be provided in the results. A "Chip Time" and a "Gun Time".

Chip Time - Is your actual time and starts when you cross the mat at the start and ends when you cross the mat at the finish.

Gun Time - Is calculated when the horn/gun sounds at the start of the race and ends when you cross the finish mat.

We will be using gun time to score and assign your finish position. If you want to be considered for any awards you should position yourself as close to the front of the starting group as possible. This complies with USATF Rule 245.3 - regarding transponder timing - "the actual time elapsed between an athlete reaching the starting line and finish line can be made known to the athlete, but will not be considered as official time."

In short, the official time per USATF rule is gun time.

Team Awards

Scoring for team awards will be based on your finish position.

We will count the top 3 finishers on your team. The team with the lowest finish score will be the winner.

For example, a team with members who finish in the 2nd, 5th and 10th position would accumulate a score of 17 points.

Event Photographs

Complimentary event photographs will be taken by JPG Media. An email and social media announcement will be sent out to all participants as soon as race day pictures are available for download.

Memorial Sports Medicine will be onsite to attend to any injuries sustained during the race.

They will be the first call should there be an emergency and will also be available for any minor injuries you or your family sustain.

so you can excel on yours.
