Hello Duffers,

Here's the entry form for our Presidents Cup two day tournament. Fee's include green fee's, cart fee's and range balls with a Cowboy Cookout dinner Tuesday night. Please be aware that Foxtail does maintenance on the driving range Wednesday mornings. So Range balls may not be available that Wednesday morning. Please return this entry form and Fee's to me at the address below.

This is a club tournament, so there will not be flights. I will be assigning one Tee Box for the whole field to play from. You will still have the option to play from a different Tee Box and If you decide to play another Tee Box please mark the Tee Box on your score card. For those that do not mark their scorecard will be disqualified from the stroke play Tournament.

There will be prizes for the top five places and on the par 3's for closest to the pin.

Please putt out to help keep the field honest, and remember our 10 stroke max rule. If at any point during your round, you find yourself lying 9. Pick up and mark a 10 on your score card for that hole. This does not disqualify you from the Tournament, but it help the Tournament from falling to far behind Pace Of Play.

As always you are welcome to pick a cart partner.

Thanks Ken and Alex
