Race is held rain or shine!

Course Description

The race starts on the warning track near first base. The 1/2 Mile runners will complete **two laps** around the stadium on the warning track before racing to the finish in right Field! The 1/2 Mile race is **not** officially timed - it's a fun run!

Our Leprechaun will lead the 1/2 Mile participants around the course. Catch him if you can!

Registered Parent/Guardian Participants

If you registered to run the 1/2 Mile with your child, you'll receive your wristband at packet pick up that will grant you access to the field for the 1/2 mile race. The rest of your child's fan club can watch from the stadium stands! We ask that adults start near the back of the group with their child so the youth runners who are running solo will have their space at the front. We'll start to allow participants on to the field at 7:40am.

Post-Race Activities

Stick around after the race and watch the 1 Mile and 5K Finishers come in! We'll have the following available after the race:

- Galaxy Rolling Video Games
- Access to the playground
- Grab & Go post-race food/drink for race participants (banana, granola bar, water)
- 9am - Team Store opens
- 9am - Caroline Street Grill concession stand opens
- 9:20am - 1 Mile Awards Ceremony
- 9:30am (ish) - 5K Awards Ceremony
- 10:45am - A Pure Barre Pop Up Class on the field for ages 16+. Contact PB Stafford at 540-699-0793 or PB Fredericksburg at 540-693-0030 to book yourself for class.

Please note that you will need to exit through the Expo Center parking lot and on to Hospitality Way. Southbound Carl D. Silver will be closed to traffic for the 1 Mile and 5K races.
