Dear Friends of Saint Francis:

For over 40 years, Saint Francis of Assisi Kitchen in Scranton has been providing food to the poor and hungry in our area. The Kitchen has served over 3.2 million hot/nutritious meals to those in need. **That is 3,200,000 meals!** Now, more than ever, poor and hungry people need the Kitchen and its' many services. In times like this, people are forced to make tough choices about feeding their families.

On **November 11, 2023**, the Kitchen, along with All One Charities and Scranton Running Company will be hosting the **11th Annual Run Against Hunger** along the *Lackawanna Heritage River Trail*. All proceeds will benefit the Kitchen. There will be a 10K run, 5K run, and a 2-mile walk. Prizes will be given afterward. This will be a family friendly event and soup will be served at the end of the races.

With this message, we are asking benefactors, corporate and small business owners to help in the form of sponsorships. Please consider one of the sponsorship levels found on the enclosed sponsorship form. The generosity of event sponsors is critical to animating the mission of Saint Francis Kitchen. Sponsors may support the work of the Kitchen in numerous ways and their contributions are broadly publicized to show their commitment to those in need.

We expect that there will be a large number of people present for this event again this year. Thank you for your kind consideration of this request.

Sincerely,

*Rob Williams*  
Rob Williams  
Executive Director
