

Let's pull off something big!

24 TONS + 15 FEET = KIDS HELPED

The Republic Airways 10th Annual Plane Pull gives you an opportunity to engage in fun team building while helping grant hope to Indiana children suffering from life-threatening or terminal illnesses.

Proceeds from this annual event benefit A Kid Again, Indiana Wish, Peyton Manning Children's Hospital at Ascension St. Vincent and Riley Children's Foundation. **In the last decade, the Plane Pull has raised nearly \$3 million, and we're hoping this is our best year yet!**

Besides helping some great kids in need, this family friendly event offers:

- Kids Zone with fun-filled activities, games and prizes
- Food and beverages to stay fueled and hydrated for the big pull and everything fun
- Special guests and local celebrities
- Most Spirited Team Award
- 10 round-trip airfare tickets to the team with the fastest pull!

Sponsorship opportunities are also available at various levels. Visit RepublicPlanePull.com for information or to donate.
