Dear Friend of OCAGC,

Do you know 87 women? This year in the USA 1 in 87 women will be diagnosed with ovarian cancer. I am reaching out to you today to enlist your support in fighting ovarian cancer. Ovarian Cancer affects mothers, wives, grandmothers, sisters, daughters, friends.... all the women in our lives that we love.

Ovarian Cancer is known as the Silent Killer. Women are not aware of the symptoms as they are subtle and masked, looking like other health issues that usually send them to a GI doctor or primary care doctor, who are not looking for or thinking about ovarian cancer. There is NO early detection test for ovarian cancer. By the time ovarian cancer is diagnosed, 85% of cases are stage 3 or 4. **There is a desperate need to raise awareness of the symptoms of ovarian cancer and find a method for early detection!**

Over 19,000 US women are diagnosed with ovarian cancer every year with over 12,000 deaths each year. The 5-year survival rate of 50%, one of the worst of all cancers, has barely improved in the last 25 years. **Funding for ovarian cancer research needs to be dramatically increased to improve treatment and to find a cure!**

We are an all-volunteer organization of passionate survivors, family, friends, medical professionals, and community leaders with a very clear mission:

1. Drive awareness and education of the symptoms of ovarian cancer to promote early detection.
2. Support survivors of ovarian cancer.
3. Fund research towards early detection, survivability, and a cure for ovarian cancer.

All of the money and support we receive goes towards our mission. In the last 11 years we have donated over **\$2,600,000** to some of the top institutions in the world for ovarian cancer research!

Our 12th annual **Jeans & Jewels Gala will be held Saturday, April 25th** at Receptions Event Center in Fairfield. In 2025 we hosted 265 guests with live and silent auctions and dinner. Our **Teal Power Walk/Run will be on Saturday, September 19th** at Summit Park in Blue Ash. In 2025 we had 1,800 people participate to honor survivors and lost loved ones and to raise awareness of ovarian cancer. These two events raised over **\$310,000** to support our mission.

We are hoping you may be able to contribute to our Jeans & Jewels Gala and/or the Teal Power Walk/Run through sponsorship opportunities, donations of goods, services, gift cards, or a financial donation. We appreciate your generosity! In return, we offer opportunities to support your efforts through co-marketing on our website, at our events, and with our growing audience across the region. Any amount of support is appreciated — there is no gift too small to raise awareness and help us fight this horrible disease.

We look forward to you joining our network of sponsors fighting to end the devastating effects of Ovarian Cancer on so many women and their families! We would love the opportunity to discuss with you **any** level of participation that fits with your organization. Together we can BEAT this terrible disease!

Sincerely,

Dianne Weidman
