Personal Message to Display on Your Fundraiser Page

I'm raising money to support children and families in rural Malawi by participating in Pamoza's virtual 5K.

Pamoza is a Christian non-profit organization working in Malawi, Africa. Our mission is to share the Gospel and alleviate poverty and suffering through educational improvements, healthcare, economic empowerment, and food security. Pamoza means "together". We work together with the people we serve, and together with people like you, to help transform the lives of children and families in rural Malawi.

The families Pamoza serves live in very rural communities with no running water, no electricity, poor access to health care, and limited educational opportunities. Your donation today helps Pamoza provide critical resources, supplies, training, and support to help children and families thrive and not just survive.
