PARTICIPANT GUIDE

WELCOME

Thank you for joining us for the Battle of the Bean 5K and Jelly Bean Dash. Please take a moment to review this participant guide as it contains important race information. The race benefits Happy Bottoms, Kansas City's diaper bank! Please consider bringing a package of diapers to packet pick up or the event to further help this organization.

Happy Bottoms acquires diapers through financial and inkind donations from individuals and groups and provides them to area low income families with the help of more than a dozen partner agencies such as Mattie Rhodes, Hope House, Operation Breakthrough, ReStart, and others. The need for diapers remains an overlooked yet fundamental area for help despite today's best outreach efforts as safety-net programs such as SNAP (food stamps) and WIC (Women Infants and Children) don't cover the purchase of diapers.

Race Day Information

We ask that you please line up according to your pace at the starting line. Faster Runners in the front and Walkers and Strollers please line up in the back of the field. You will be chip timed so your official time will not start until you cross the starting mat.

Packet Pickup

We will have a list of all registered participants; you are welcome to pick up packets for friends and family as well. Inside your packet you will have your IPICO timing chip and bib number to wear on race day. Please make sure you have your chip on your shoe (as pictured below at right) and bib number on the front of your shirt.

Timing Chips

We will be using the IPICO timing chip for the Run. You will receive the timing chip in the white envelope with your bib number. You will also receive two twist ties to securely fasten the chip to your shoe (as pictured above). These are reusable chips, and we will retrieve them at the end of the race. If you decide not to run/walk please return the chip in the envelope it came in and mail or return it to the address below.
