A MESSAGE FROM **KIRK SYKES** **HEAD OF SCHOOL**

Dear Friends,

I invite you to join us as a sponsor of our Run Up to Juneteenth event, a joyful celebration of health, wellness, and community that honors the spirit and significance of Juneteenth. This year, we are especially excited to host the event for the *first time* at **Druid Hill Park**, in partnership with **AFRAM's 50th Anniversary**, bringing together culture, history, and collective pride in one inspiring weekend.

At The SEED School of Maryland, we are passionate about helping our students succeed beyond the classroom. Every dollar raised through Run Up to Juneteenth directly supports our **College Transition and Success Program**, which provides college tours, counseling, mentorship, academic guidance, and financial assistance to help our students confidently take the next step toward higher education.

Your partnership makes a lasting difference. By sponsoring Run Up to Juneteenth, you are celebrating **freedom while opening doors of opportunity for our scholars**. Together, we can help them pursue their dreams and create a brighter future for generations to come.

Inside this sponsorship package, you will find details about how your support directly **impacts our students** and ways to be recognized throughout the event. We are happy to work with you to create a sponsorship that reflects your budget, goals, and commitment to making a difference.

Please feel free to contact **Katie del Carmen Byram**, Director of Development, at **917-902-9377** or **kbyram@seedsschoolmd.org** with any questions or to discuss partnership opportunities.

Sincerely,

Kirk Sykes

THE SEED SCHOOL OF MARYLAND

We help underestimated students fulfill their dreams of college graduation.

As Maryland's only statewide, tuition-free, college-prep, public boarding school, The SEED School of Maryland provides motivated children with an extraordinary educational experience. Admission is by lottery, with entry points in sixth grade and ninth grade. Our students live and learn on campus tuition-free and graduate with the proficiency for success in college and beyond. **SEED graduates complete college at a rate of 68%, higher than the national average across similar demographics and backgrounds.**

SIGNIFICANCE: RUTJ AND JUNETEENTH!

FREEDOM AND RESILIENCE

Juneteenth marks the delayed emancipation of enslaved African Americans in the United States and serves as a **powerful reminder of the long journey toward freedom and equality**. The 'Run Up to Juneteenth' honors this historic day, celebrating African American history, culture, and the continued fight against racism.

HEALTH AND WELLNESS

Get ready to move and have fun! The Run Up To Juneteenth 5K/1-Mile is all about celebrating wellness, community, and empowerment. By getting active, we're not just boosting our health—we're lifting up our students, families, and neighbors, showing how physical fitness leads to success in every aspect of life.

COLLEGE SUCCESS

Funds raised from the run will support The SEED School of Maryland's College Transition and Success Program, providing vital resources such as academic counseling and college tours to help students thrive in college. **College completion matters because graduates, on average, earn 67% more than high school graduates**, leading to better health outcomes, increased civic participation, and greater lifetime earnings. This aligns with our mission to break down barriers and create a lasting impact in our community and beyond.
