MISSION

The mission of the Every Breath Counts Foundation is to raise awareness and funding for lung cancer research and support programs in the Southern New Jersey Shore area. Please join us in our battle against lung cancer. All proceeds from this event go directly to three lung cancer-focused organizations:

- **The South Jersey Cancer Fund**, directing funds to patients and families in the South Jersey Shore area affected by this disease
- **The LUNgevity Foundation**, the only foundation dedicated exclusively to funding lung cancer research
- **The Lung Cancer Alliance**, the only national non-profit organization dedicated to providing patient support and advocacy to those living with or at risk for the disease

- Atlantic and Cape May Counties have the highest incidences of lung cancer in the State of New Jersey.
- Lung cancer is the U.S.'s top cancer killer, claiming approximately 160,000 lives per year. Currently, only 15% of people diagnosed with lung cancer survive five years post-diagnosis. With early detection, there is hope.
- Lung cancer is responsible for nearly 1/3 of all cancer deaths.
- Lung cancer kills more people than breast, colon and prostate cancers combined.
