# Event Highlights

The Fearless Fighters 5K and Fun Run is open to people of all ages and fitness levels. The 5K (3.1 miles) course starts and ends in Silver Springs Park near Heritage Barn. The Fun Run is one mile long, and participants can choose to run, walk, or push a stroller or wheelchair.

**Our Family Zone** Choose between visiting the Dark Side or the Light Side and meet all your favorite Star Wars Characters! There we will have our sponsor tents where you can market and provide giveaways to attract potential business. We will also have food trucks, inflatables, games, and free beer for the runners after they finish running provided by Missing Mountain Brewery. We are expecting to have 500-600 runners at this event.

Gabe Spiegel, Fox 8 WJW News Anchor, Will be the MC for the Fearless Fighters 5K and Fun Run. Gabe is an Emmy Award-winning news Anchor and has been with Fox 8 since September of 2012.

Having fun while giving back We promise the Fearless Fighters 5K and Fun Run will be a great time for everyone. We will have great food, auction for gift baskets and awards, and all of our participants will receive a Race Day shirt with their paid registration.

## Why We Do This

Fearless Fighter Foundation was started in October of 2021 after Krista and Ed Fink's son Dylan battled a rare form of stage 4 non-Hodgkin's Lymphoma. Dylan is now back living the life of a normal teenager at Stow HS playing lacrosse as a starter on Varsity for the school and will continue his lacrosse career at Malone University.

Our mission is to provide funding for advanced pediatric cancer research as well as provide support to families who are currently battling pediatric cancer.

- Each year in the U.S., almost 16,000 children ages 0-19 are diagnosed with cancer
- Did you know that out of \$250 billion of federal funding set aside for cancer research, **only 4%** is allocated towards pediatric cancer?

The outcome was unknown. The fear that we felt was indescribable. How could this be happening? Our son had cancer...this couldn't be real

In September of 2020, our son Dylan was diagnosed with a rare form of stage 4 non-Hodgkin's lymphoma. He had cancer present in the lymph nodes in his neck, collar bones, chest, spine, spleen, and at the base of his skull.

Dylan went through 6 rounds of high-intense chemotherapy from September, 2020 to March of 2021. In April he was declared in remission and on May 4th he was able to ring the bell, signifying the end of his treatment.

Why the Foundation? So many people supported Dylan and our family as he went through treatment.

Fearless Fighters Foundation, Inc.  
PO Box 1686, Stow, OH  
[fearless-fighter.org](http://fearless-fighter.org)

Fearless Fighters, Inc. is a federally  
registered 501(c)3 organization  
EIN 87-2850975

The kindness, love, & support that was shown by family, friends, neighbors, local businesses, elected officials, sports personalities, and even strangers were beyond amazing! We couldn't have gone through this journey without them.

### He was never alone

Unfortunately, this is not the case for everyone. We saw first hand how many families didn't have the resources, support, and help (like we did) to allow them to stay together throughout the entirety of their child's treatment.

### Pediatric Cancer Stats and Facts

- out of \$250 billion of federal funding for cancer research, only 4% goes towards pediatric cancer.
- Each year in the U.S., almost 16,000 kids ages 0-19 are diagnosed with cancer
- In 2 decades only 4 new drugs have been approved by the FDA specifically for childhood cancer.
