Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: **2032**

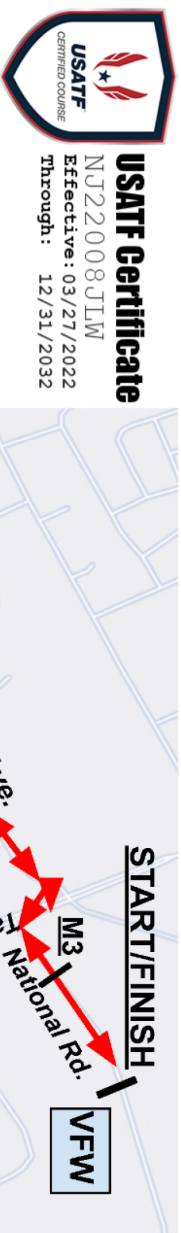

AS NATIONALLY CERTIFIED BY:

EDISON VFW 5K

Edison, NJ

START/FINISH- The Start and Finish are both in the same location, on National Road, directly even with the western edge of the VFW building and the curb at the eastern edge of the westernmost driveway to the building. See detail photo.

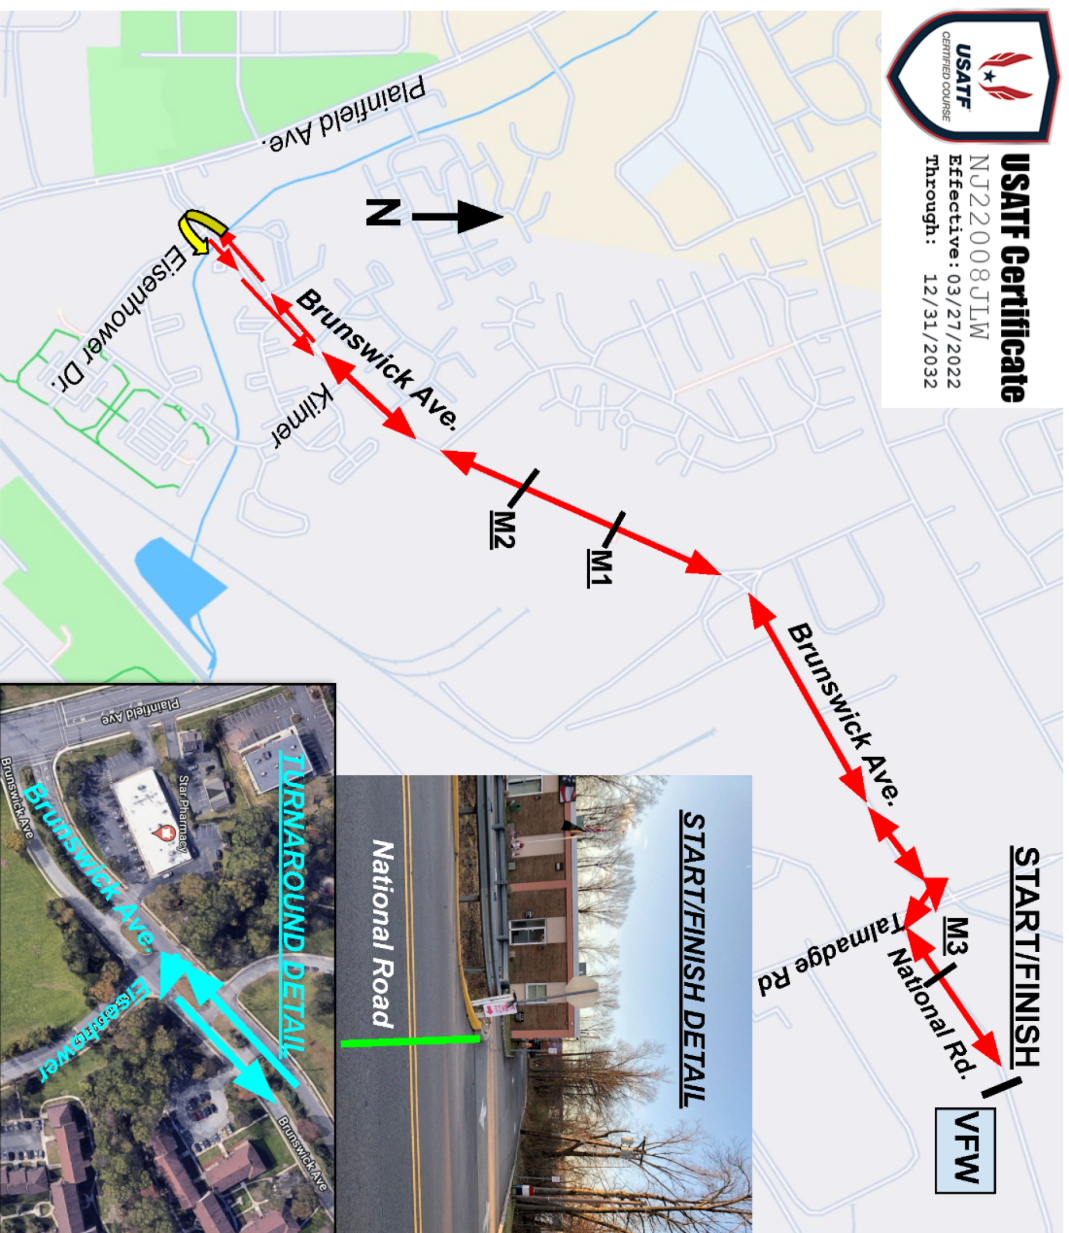

This is an out and back course. Start running southwest on National Rd. Right on Talmadge Rd. Left on Brunswick Ave. Runners must stay right (running with traffic in the northern lane) when Brunswick Ave. becomes a divided roadway just after (SW of) of Kilmer Rd N, then turnaround counterclockwise around the median in the intersection with Eisenhower Dr. Runners stay right again after the turnaround (running in the southern lane until the divided roadway ends) and then retrace their route back to the start/finish.

Mile 1 - On Brunswick Ave. 9'6" past (SW of) the fire hydrant on the SE side of the street across from 36 Brunswick Ave. 15'6" past (SW of) utility pole #71387ED

Mile 2 - On Brunswick Ave., 3 feet before (SW of) the fire hydrant in front of the driveway entrance to 35 Brunswick Ave. on the SE side of the street. 6'8" SW of utility pole #71391ED

Mile 3 - On National Rd., 15 feet before (W of) the loading dock for 31 National Rd. on the S side of the street.

Measured by Matthew Slocum / 27 March 2022
slocummatt@gmail.com

Except as noted, this course was measured using the full width of the road and the shortest possible route. Map is not to scale.
