Every Step Moves Us Closer to Ending Sexual Violence

Join us on Sunday, September 14 for ZCenter's 2025 Race to Zero, our annual family-friendly 5K run/walk and community fundraiser to support survivors and celebrate their resilience. Whether you choose the timed 5K or opt for a 1-mile stroll, your participation helps move the mission forward.

Your support ensures that survivors across Lake and Northeastern Cook Counties continue to receive free, trauma-informed services

At ZCenter our mission is to mobilize the community toward ending systemic sexual violence while amplifying the voice of survivors through trauma informed care, advocacy, and prevention education.

Why Your Support Matters?

For over 40 years ZCenter has served survivors and their loved ones as Lake County's only state-certified rape crisis center.

We are there in survivors' darkest hours, offering support, resources, and a safe space to be heard, seen, and empowered.

Through our programs, we:

- Empower survivors to navigate their healing journeys with dignity and care.
- Deliver prevention education that equips students to understand boundaries, healthy relationships and how advocate for themselves
- Partner with schools, hospitals, and community organizations to respond to and prevent sexual violence

ZCenter stands as a beacon of hope.

Your sponsorship helps ensure these critical services remain free and accessible to all. Together, we can walk, run, and move toward a stronger, safer community.

Ready to make an impact? Please review our sponsorship options and consider partnering with us by registering for the race, becoming a sponsor or donating.
