Sponsorship Opportunities

The Florida Cancer Specialists (FCS) Foundation is honored to be the recipient of the funds raised through sponsorships and donations from the **16th Annual ME STRONG 5K**, to be held **Saturday, January 30, 2027**. The FCS Foundation is a 501(c)3 nonprofit organization that provides non-medical financial support to qualifying adult cancer patients in your local community, no matter where they are treated. We believe no one should have to choose between paying for critical living expenses or paying for medical treatment. The Foundation assists cancer patients and their families with essential expenses, such as rent or mortgage, car payment and car insurance, utility bills, and grocery support so they can focus on recovery rather than worrying about overdue bills. By giving cancer patients peace of mind in knowing that their bills will be paid while they are undergoing treatment, we allow them to concentrate on what really matters – fighting cancer.

Due to the generosity of the Florida Cancer Specialists & Research Institute (FCS) physicians, 100% of donations go directly to helping cancer patients and their families in need. We rely on the support of our volunteers, donors and sponsors to make our life-changing work possible.

Sponsorship Opportunities

Sponsoring the ME STRONG 5K through Florida Cancer Specialists (FCS) Foundation provides a unique opportunity to join with other organizations, physicians, companies and supporters in your community to have a direct and immediate impact on the lives of cancer patients and their families.

The FCS Foundation is proud of the collaborative relationships we have established with hospitals and clinics, vendors, pharmaceutical companies, corporations, local businesses and organizations that work together to support those affected by cancer.

A Patient's Thank You

"As a recipient of the Florida Cancer Specialists Foundation, I am very grateful and thankful to all the supporters who made this possible! Because of all of you, I was able to receive financial assistance with some of my bills while fighting my battle with cancer. I am currently receiving chemotherapy, radiation and brachytherapy as part of my treatment and have appointments almost daily that prevent me from working. This process has been so hard and stressful not only on myself but my children as well. They have been my main caretakers and are busy with college and full-time jobs. My diagnosis has had a major toll on them. We appreciate the Florida Cancer Specialists Foundation team for everything they have done for me and the many others effected by cancer."

Foundation Financial Assistance Recipient**

We Appreciate Your Continued Support

Since inception the ME STRONG 5K has grown into a resounding celebration of more than 7,500 annual participants whose generosity has provided nearly \$3 million in financial assistance to Floridians and their families battling cancer. We appreciate you considering a sponsorship, and look forward to working with you and leveraging the collective power of our organizations to change the lives of those we serve.
