### What makes this event unique?

It is run at night on snow covered roads and trails. The moon will light your way (along with the help of some glow sticks), but you need a headlight so we can see you! You can run 8 miles solo or split the run with a friend and each go 4 miles. When you have completed your run we have hot homemade soups and bread for you to enjoy courtesy of the Linden Cross Country families.

**All participants will receive custom "Ididarun" swag of some sort...**
