

On April 11, 2026, Samsula Academy is proudly hosting a Pirate themed Fun Run. This has become an annual event, anticipated by all in the community, starting with our very own flyover to kick off the race, and ending with an exciting after party. We are inquiring with you to seek a sponsorship opportunity, to not only join our school and community hand in hand, but to offer you a promotional spotlight while raising funds for the students of Samsula Academy. As a public charter school in Florida, Samsula Academy receives about 30 percent less funding than traditional public schools, your sponsorship will make a direct impact on enriching our children's educational experience. We are a 501c3 organization, therefore all contributions/ donations are tax deductible. The deadline to receive sponsorship benefits is March 27, 2026. The event will take place rain or shine. No refunds are offered.
