## Participants -

Thank you for joining us for the eighth annual Easter Egg 5K! Please take a moment to review this guide for important race day information. We are proud to partner with Cornerstones of Care for this event. Learn more about this organization below.

## Cornerstones of Care -

In 1997, Gillis and Ozanam and Spofford joined forces to form the Gillis-Ozanam-Spofford (G.O.S.) Consortium with the goal of sharing best practices and leveraging capacity to better develop infrastructure. Marillac joined in 1998, and G.O.S. became Cornerstones of Care, which also grew to include Healthy Families. Together, our Cornerstones of Care family of agencies provided a full spectrum of preventive and treatment services for children and families throughout the region for almost 20 years.

In 2017, the founding agencies came together as true building blocks or 'cornerstones' of compassionate care for even more children and families. Today, their expertise and historical significance are honored through the Cornerstones of Care name, and their individual names have been preserved in the form of campus locations within one Cornerstones of Care organization. Together we have a shared mission and an even greater vision to strengthen our children, families, and communities.
