

2016 VIRTUAL RUN FOR THE HEROES 5K

World Wide, Anticipated Attendance: 100-200 Participants

How it works

The virtual 5K allows us to reach runners all over the world and keeps overhead low allowing us to commit the most assets to our mission. The way this run works is simple, you go to www.runfortheheroes.org web site and register, then between April 1 and May 31 2016, you run a the distance of a 5k and record your time on our website. That's it then the end of may we here at Friends Never Forget tally up the scores, every participant will receive a t-shirt and commemorative dog tag. If your time is a top finisher in your age bracket you will also receive a medal for placing. Last year we had runners from 25 states and 3 countries including Afghanistan and Guam.

Fundraising Goal: \$3500
