# Important Athlete Rules

- All athletes must attend the pre-race meetings before the event, in-person or virtual.
- This is a cupless race. Cups will be provided to all athletes to use at the aid stations in addition to any packs or handhelds you choose to use.
- Athlete's pacers must also have sign a waiver.
- All athletes must complete the designed 50 mile and 50 kilometer course, under their own power, and without a pace vehicle (this includes bicycles).
- Athletes must check in at every aid station along the course. It is the athlete's job to make sure they are checked in and out at aid stations.
- Bibs must be worn on the front at all times and visible. Shirt or right leg are okay but not on the back of your pack.
- This is not a closed course, athletes must obey traffic laws at all times. When running on roads, run facing traffic.
- Trash may be dropped at aid stations only. If an athlete is caught littering on the course they will be immediately disqualified.
- No supplies may be stashed along the course.
- Athletes may receive aid at locations other than the aid station BUT the spectator/crew vehicle should not drive on the official race course. This means aid may be given at an intersection.
- Athletes must have a headlamp or flashlight, forward and rear facing reflective gear, as well as a red flashing rear light on after sunset 8:30pm. Failure to have lights may result in a penalty.
- Prior to the race, athletes must provide any pertinent medical information to race staff. If athletes are found to have falsified medical information, they may be banned from all future events.
- Race staff can pull athletes from the race at any time if they feel they are a danger to themselves or others.
- If an athlete needs to drop for any reason and will be leaving the course with a friend/family member, they must notify staff at the finish line or a volunteer at the nearest aid station. Provide name and bib number.

# Relay Rules

- 50 Mile Relay will start in Harbor Beach and finish in Caseville
- Team Size: 2 – 6 People (each member is required to register separately; the first team member to register will be able to create the team name. Additional members will then be able to select the relay team name during registration)
- Relay “leg” distance is up to the team, but exchanges must be done at an exchange zone only (see chart for exchange locations)
- Runners do not have to run an equal number of legs or distances. There is only ONE bib per relay team. Your bib may ONLY be exchanged at the Relay Exchanges.
- All general athlete rules and gear requirements apply to relay team participants.
- Each team must provide their own support vehicle, only one vehicle per relay team.
- Team vehicle must have the team’s name and bib number clearly visible on the vehicle at all times and can be no bigger than a 12 passenger van.
- Relay team “camping” or hanging out for long times at exchange zones is not allowed. There is limited space at exchange zones, please plan accordingly.
- Vehicles supporting the relay should drive on [alternative route](#) provided by Trivium. This will reduce traffic on specific race course to ensure the safety of our athletes.
- More relay information may be found in the [Relay Guide](#).

Click [here](#) to access a PDF file with live map links for the relay exchange locations.

# Spectator, Crew & Pacer Rules

- All athletes can have pacers and crew. All spectators, pacers and crew must adhere to the suggested [driving route](#), i.e. may not drive on the official race course.
- Athletes are responsible for their crew. If the crew, spectator or pacer does not follow the rules the athlete will be penalized.
- Each athlete is allowed one support vehicle, we do not want to overcrowd the course. This vehicle cannot be an RV or van larger than 12 passenger.
- While support vehicles are allowed to carry and supply gear at aid stations, they may not pace the athlete.
- No aid from moving vehicles, including bicycles. This includes no pacing via a bicycle.
- Athletes may receive aid at locations other than the aid station BUT the spectator/crew vehicle should not drive on the official race course. This means aid can be given at an intersection.
- Support vehicles must have their racer's or team's bib number clearly visible 3 sides of the vehicle at all times. *We will provide signage at packet pick-up if needed.*
  - Back
  - Front
  - One side

# Spectator, Crew & Pacer Rules

- Pacers are allowed from the beginning of the race on, but only one pacer is allowed at any given time.
- Pacers MUST wear a pacer bib (will be included with participant bib at packet pick-up) while on the course and pre-sign the waiver (available [here](#)). **Waiver must be completed before April 25.**
- Pacers, please be aware that the course fuel and food is for the athletes racing, while you are allowed to have some, please try to supply as much of your own fuel as possible.
- Much of the course has rules about parking, please adhere to them.
- If your athlete drops out of the race please follow proper procedure by checking in at the closest manned aid station and turning in their race bib.

# Drop Bags

Race staff will provide clear drawstring bags (**sized 20"x24"x4"**) marked with the bib number and drop location. Bags can be dropped off at the start line of each race or at packet pick-up on April 25.

**50 Mile Runners: One Drop Bag location will be [Aid Station "F"](#) which is mile 30.32 on the course and you will have another drop bag for the Finish.**

**50K Runners: You will have a drop back location of [Aid Station "G"](#) which is mile 15.5 on the course and also your turnaround.**

There is no guarantee that your other drop bag will make it back to the finish line in time to meet you. We will do our best to periodically bring the On Course drop bags to the finish.

Aid Station	Location	Mileage
F	<a href="#">Corner of Hunter Rd. and Sullivan Rd.</a>	30.32 for 50 Mile
G	<a href="#">West of Larned on Knoblock (50K turn around)</a>	15.5 for 50K

# Essentials

- While there are many, many essentials for race day, we have two that we highly suggest are in your bags:
  - Body glide or similar: The air and the sandy roads are an awesome combination for an early exit from this race from chaffing. Please lube up and lube often to make sure everything is sliding around alright
  - Sunscreen: While it may not be hot or bright sunshine, the sun will burn you quickly! Please apply sunscreen often!
  - Bug Spray: While the weather is unpredictable, if the weather has been out, our flying friends may be out to greet you as well.

# Course Markings

- Every 5 miles will have a Thumb Coast Ultra “confidence” marker.
- All turns on the course will be marked with a direction sign.
- Relay exchange zones will be marked with a sail flag!
- Aid Stations will be marked with what is available at the aid station and the distance to the next Aid Station.

# 50 Mile Aid Stations

# 50 Mile Course Map & Elevation

To see the 50 Mile course map, [please click here](#). You can view the course and interactive elevation, as well as download a GPX file from this link to use with your running watch. The approximate elevation change is ~513 ft.

# 50 Mile Turn by Turn

Please keep in mind the course can be changed at the race director's discretion if the course becomes unsafe due to conditions.

This course consists of dirt roads for about 85%, paved roads for 10% paved and unimproved park roads for 5% park roads (think gnarlier and sandier than dirt roads). It is a gorgeous, and fast course!!

For the unimproved park roads, there will be orange tape to help with visibility along with turn signs.
