## **RIDER GUIDE 2025**

*This is 6 Gap is in its 37th edition. This ride has been staple in Georgia as far back as I can remember. You are going to be challenged by that terrain and conditions that make Ranger's Mountain Tough. Please don't forget to enjoy the amazing views of the Chattahoochee National Forest and all Dahlonega has to offer. We have people from almost everywhere come to be a part of this epic adventure and we are so proud to have you here. This year we have 10 countries and 42 states*

***A reminder of why we are doing this.***

*The purpose of this ride is to give you bragging rights over all your friends, and raise fund for the Dahlonega Lumpkin County Chamber of Commerce community, youth, and leadership programs without your participating in this event the Chamber could not accomplish the community outreach and help create the homegrown future business leaders it programs create. YOU ARE MAKING A DIFFERENCE IN THIS COMMUNITY!!! We all want to say THANK YOU!!! Six Gap organizing Committee and Pedal Productions and all our volunteers and sponsor remind you that "IT IS SUPPOSED TO BE HARD!" But It can also be fun. (just don't tell anybody)*

***Remember to ENJOY THE RIDE!!***

## FRIENDS FAMILY AND PERSONAL SAG

We do not allow personal support crews on course. These are public roads it can be extremely dangerous for participants if everyone was trying to have support and follow cars. It only adds to the traffic that is already out there on the weekend. So please be considerate to all participants and the community. If you have someone that wants to hang out all day on course have them volunteer. That way they can be a part of the event.

# COURSE DESCRIPTION

## 6 GAP 3 GAP VALLEY RIDE

All courses start at Lumpkin County high school at the top of the hill. The arch is your gateway to the challenge you have accepted. As you roll on the course you head to Camp Merrill brings to mind the motto Rangers lead the way. Can you lead the way to your goals?

As you turn left toward the mountains and the challenges that await you. Catch your breath rolling down to Turner's Corner because the First Gap Neel's is coming follow by Wolf for 3 GAP or Hog Pen for 6 GAP.

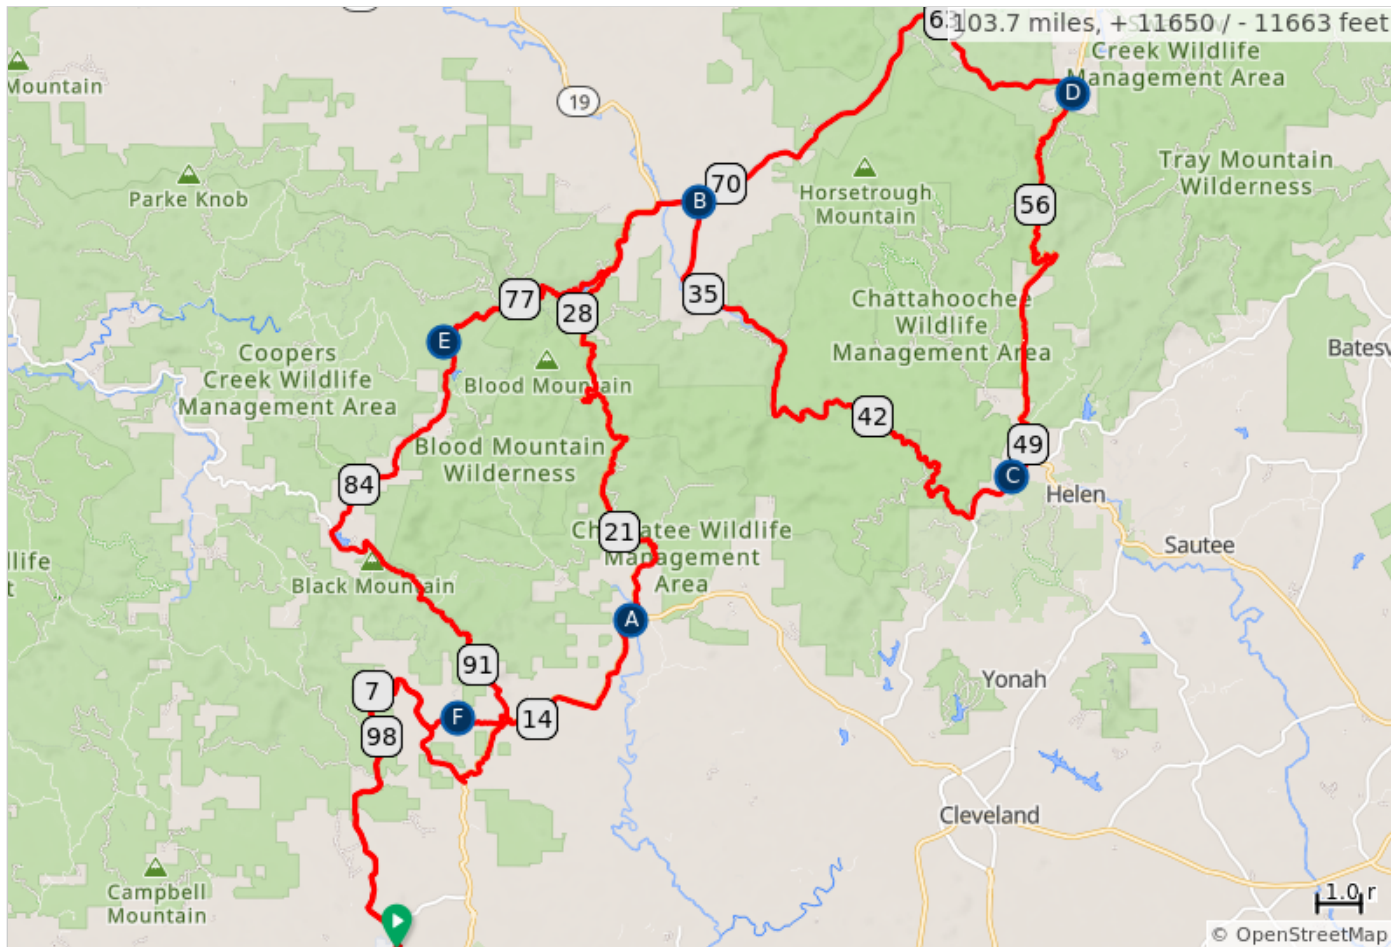

6 Gapers will roll down through Scorpion Hollow rest stop and out to your next Gap Unicoi that brings to our next stop Appalachian Campground. Before you get to tackle Jacks Gap before rolling back to Wolf pen Gap and joining the 3 Gapers on their adventure.

Don't forget to fuel up at Lake Winfield Scott stop because Woody Gap is looming. Carefully enjoy the descent as you drop down to R-Ranch in the Mountains and your last chance for HAMMER NUTRITION.
