

Dear Neighbor,

The Bread Basket of NEPA is an interfaith-based organization committed to serving individuals, families, and Veterans across Lackawanna County, striving to alleviate hunger in our community. Established as a 501(c)(3) non-profit in 1984, our mission is to combat local food insecurity. Presently, we operate seven food pantries throughout Lackawanna County, aiming to provide not only traditional non-perishable food items but also fresh foods.

At Bread Basket of NEPA, we dedicate ourselves each year to ensuring our neighbors have access to food — in 2025 alone, we proudly served nearly **30,000** of our neighbors, and the need keeps increasing. **We need your help to meet this growing need.**

We are excited to announce the Bread Basket Bolt - a 10K, 5K, and Walkathon being held on Saturday, May 16, 2026 at 9am on the Lackawanna Heritage Trail. As we prepare for this event, we need sponsors to help make it a success. **This is where you come in.**

Would you consider supporting us by sponsoring the Bread Basket Bolt? In return, you will be recognized in our event materials, signage, social media, and website. More importantly, your sponsorship will help feed many members of our community.

We welcome the opportunity to discuss future partnerships and answer any questions you may have about our organization. Together, let's work towards ending hunger in Lackawanna County.

Warm regards,

Rosemary Bohenek
