SATURDAY APRIL 18th 2026 ▪ 8:00 am

Schechter Center 1089 S Patrick Dr. Satellite Beach, FL

MOVE FOR HOPE.

About TWLOHA's Move For It 5k

For 20 years, TWLOHA has been showing up for people in the moments they need it most. We invest in treatment and recovery programs, we meet students and communities face to face, and we create spaces where people can share honestly about mental health, healing, and hope.

We've also reinvested \$650,000 in Brevard County, aiding over 4,000 people through mental health scholarships and resources.

Hope Moves When We Do

This year marks the 13th anniversary of our annual Move For It 5k fundraiser and TWLOHA's 20th birthday. It is a milestone moment, and every dollar raised will help fuel our goal of providing 20,000 hours of mental health care in our 20th year.

**MOVE FOR
MENTAL HEALTH.**

The Impact of Your Partnership

Since 2006, we've made it part of our mission to invest directly in treatment & recovery, but in 2026, we want to achieve our boldest goal yet by sponsoring 20,000 hours of mental health care in just one year alone. Access to mental health care remains one of the greatest unmet needs in the United States. Too many people want help but can't afford it. As we celebrate 20 years, we're inviting you to help us write the next chapter.

By joining us as a sponsor for our 2026 Move For It 5k campaign, you will help turn movement into access—funding life-saving therapy, expanding support, and ensuring more people can get the help they need and deserve.

**Every \$45 provides one hour
of mental health care.**
