

SuperHero Kids 5K & FUN RUN

APRIL 18, 2015

CASA of Natrona County Scholarship Fundraiser

Come support CASA of Natrona County while we raise money for our scholarship program that will allow these children to be able to experience some of the opportunities and activities that will become creative outlets for them.

The scholarship program would be available to families to help pay for such programs and activities or to purchase equipment that was needed for the activities; such as track or football shoes or jerseys or be used to pay for tuition fees for music, gymnastics or swimming lessons.
