

MARCH 24, 2018

JOHNSTON ELEMENTARY

4th Annual Johnston Jaguar Jungle Run 5K and 1 Mile Prowl.

Join your community and support your local elementary school. On race day, you can walk, you can run, you can be a phantom runner. Your donation secures you a t-shirt. You can also show support and become a sponsor. Grab a table and come on out to cheer on the participants. Have your logo printed on the back of our coveted t-shirt. Profits will go towards teacher grants, educational resources in the JES classrooms as well as supporting physical education, music, art and the library.

Florine Dial Johnston Vision: *Bring families together to enjoy quality time and develop lasting memories within the community.*

Dress like a speedy jaguar and race with the pack on the wild campus of River Ridge High School and Mill Creek Middle School.

Help Johnston Elementary School continue to promote healthier lifestyles for our students and families here in Woodstock. For more information and to register online visit www.junglerun.info
