Presented By:

Your Recycling Alternative,  
Drop-Off Facility.

Dear

**Sponsorships available now** for Midland Recyclers 5<sup>th</sup> annual Star Wars 5K Fun Run/Walk & One Mile Jedi Training course. This year we are partnering again with Mid-Michigan Laser Combat to offer Laser Combat Trooper Training! Activities will also include a festival area with games and food trucks - all designed to promote reuse and recycling!

**Why sponsor Midland Recyclers?** For over 30 years, we have provided a drop-off recycling center to serve both those that do not have curbside recycling and those who want to drop off “hard to recycle” items like plastic bags, polystyrene foam and batteries. Our mission is to inspire the community to make a positive impact on the environment by providing the means and know how to reuse and recycle.

**Your sponsorship now will help Midland Recyclers provide:**

- Environmental education programs and tours
- Volunteer and work experience to people of all ages and abilities
- Reusable items for educators and crafters like corks, bottles, and buckets
- Gold to go Green cost-effective business recycling program
- Self-serve shredding of confidential documents

Sincerely yours,

Esther Williams  
Executive Director
