RACE NUMBERS & CHIPS

At packet pick up you will receive your race numbers, timing chip, and shirt. Your numbers will need to be on your bike & helmer before entering transition. You must wear the run bib during the run. Please do not lose any of these numbers, replacements will not be available. If these items were not in your bag please email tina@itrievents.net.

TRANSITION AREA AND BAGS - ASSIGNED RACKING

The Katy Natatorium is located at 6331 Hwy. Blvd between I-10 and Hwy. 90. Parking is at the school and athletes may enter transition @ 5:30am-No Earlier! Remember your numbers, replacements will not be issued if LOST. Arrive early enough to set up your gear; additional time will not be given if you are late. Remember, only athletes are allowed in the transition area. No Exceptions! Please make sure all your race equipment is in your area only. Once the last athlete has left for the run, transition will re-open; at that time you can get your bike and other items. NOT ANY EARLIER! The transition poles have just been cleaned and renumbered; NO tape of any kind is to be placed at your number. You may use string or ribbons, but absolutely NO tape.

PARKING AND SHUTTLE

Athletes will park at the natatorium and be shuttled back from the distillery once transition opens. This year there will be NO spectators allowed in the pool; absolutely none, but they may watch outside the door. Family and friends can park at The Dryer located at 5345 E. 3rd Street, but they will need to be parked before 7:30am. The parking lot will be closed promptly at 7:30am and any parking after will need to be on city streets.

BATHROOMS

There will be bathrooms located at the natatorium and the The Dryer for your convenience.

SWIM COURSE

The swim is a snake swim; we will begin with the fastest swimmer seeded first, the next fastest will enter the water at 15 second intervals. The swimmers upon entering the water will swim the length of the pool and turn on the wall and swim back down and go under the rope and repeat until the end. If your swim time has changed you may self seed yourself Saturday morning. The pool is a heated indoor pool, but still a little chilly. NO swim fins, buoys, snorkel, or paddles can be used during the swim.

BIKE COURSE

You must walk your bike in and out of the transition area to the mount and dismount lines. You must have your helmet on with the chin strap fastened before leaving the transition area. Follow cones and directional signs and absolutely no drafting. Major intersections will be monitored by local and county officers; please follow their direction and always lift your head up to survey traffic conditions. Do not remove your helmet until your bike is racked safely in the transition area. Please make sure your water bottles are filled; there are no water stations on the route.

RUN COURSE

Please follow directional signs and cones for the run course. There is a water station at the mile and half marker for your convenience.

RELAY TEAMS

All relay teams will share a timing chip; swimmer will hand off to the cyclist and cyclist to runner. Cyclist do not un-rack your bike until you have received the chip and runners do not leave until the cyclists has racked their bike.

CAR KEYS

If you would like your keys at the finish line, please leave them with me at the pool.

FIRST AID

Please report any injuries to the Race Director; for your convenience an ambulance is located at the finish line.
