

# Amy Mihaljevic Memorial Run & Walk

## Sponsorship Application

The Amy Mihaljevic Memorial Run & Walk started out as **Walk for Amy** during the 2020 COVID year. As interest in the annual event grew the Mihaljevic family wanted to expand the event to include a 5K race as a way to not only remember her but to celebrate her life.. Amy was an energetic girl that loved staying active riding horses, riding her bike with friends, or playing in the neighborhood. This race celebrates Amy's enthusiasm, zest for life, and love for people. Run or Walk with that in mind. Amy is forever in our hearts and is Never Forgotten.

As a sponsor, your financial contribution to this event will directly impact the investigation's ability to bring justice to Amy's killer and renews hope for the Mihaljevic family that Amy is Never Forgotten by the community at large. The Bay Village Police department continues to send DNA to various labs throughout the country for testing. DNA testing is expensive. For example, one strand of hair is approximately \$7,000 to be tested. The police department plans to send additional hairs to these labs this year. Our goal for this race is to raise a minimum of \$10,000 to help augment the investigation's budget. With your help we can make this goal become a reality.
