

Lake County Suicide Prevention Task Force

Sponsorship Commitment Form - 2025

13th Annual Walk for Suicide Prevention and Awareness

The Lake County Suicide Prevention Task Force (LCSPTF) will be hosting its **13th Annual 5K Walk for Suicide Awareness and Prevention** aimed at increasing understanding and building community engagement to prevent suicide in Lake County. The LCSPTF works to prevent suicide and promote mental health awareness through outreach events, professional training and community education because one suicide is too many.

This year's event will take place on September 27, 2025 starting at 10:00 am at the College of Lake County and Virtually on Facebook Live. This Hybrid event will allow for participants to choose their preferred location. Each registrant will receive a t-shirt and resource bag that includes information from our Sponsors and other community resources.

All this would not be possible without the generosity of local individuals and businesses. We would like to ask for your assistance in supporting our task force in preventing suicide and promoting mental health awareness. Sponsorship of the event is minimum \$250 or more, included in this will be the individuals, company or organization's name and logo on the t-shirts and recognition across media platforms. A table at the resource fair and materials in the resource bags. Also a complimentary admission for a representative of your choosing. All sponsors will also receive one walk t-shirt. Individual sponsors not belonging to a specific company will receive four additional entries to the walk for loved ones to join. One hundred percent of proceeds go to funding the event and the work of the Lake County Suicide Prevention Task Force to help in combating suicide and helping loved ones left behind after a suicide.

The past ten years the event has been recognized by the local papers prior to the event as well as photos and articles covering the event. We do our best to publicly recognize all who come together to make the day possible. Many donate not for advertisement or exposure, but because at some point in their lives they have been affected by suicide.

In addition, we would like to extend an invitation to personnel from your organization who would like to participate in the walk. Individuals or groups may register on Eventbrite.

If you would like to sponsor the event, please Electronic Transfer (ZELLE only) to our Business account at Prevention.LCSPTF@gmail.com or make checks payable to: Lake County Suicide Prevention Task Force. Questions and /or requests for a tax form W 9 ,and/or an official letter recognizing the LCSPTF as a Not-for-Profit, file number 7196517-1, in the state of Illinois can be sent to ssajuan2@lakecountyil.gov.
