Broome County Parks Triathlon

Athlete Guide

FROM THE RACE DIRECTOR

Dear Athlete:

Welcome to the 19th annual Broome County Parks Triathlon at Dorchester Park in Whitney Point, NY. This friendly, hometown race is the perfect venue for first-time participants, but will also challenge more-seasoned multisport athletes. Nerves kicking in? That's just your body realizing you're about to *tri* something epic—way cooler than what most folks are doing this weekend! No matter which race you choose — triathlon, duathlon or aqua bike — you'll enjoy beautiful vistas throughout the entire race course. Best of all, proceeds from the race will help with the purchase of accessible playground equipment for Broome County Parks, so children of all abilities can have a chance to play outside. Thank you to all of our participants that make this a great event year after year!

Yours in racing,
Kara Gorgos
Race Director

ABOUT DORCHESTER PARK

Broome County Parks and Recreation Dept. welcomes you to Dorchester Park on Whitney Point Lake, less than a mile north of Whitney Point. In cooperation with the U.S. Army Corps of Engineers and the New York State Department of Environmental Conservation, this 1,200-acre reservoir and adjoining park offer a variety of recreational activities including boating, fishing, swimming and picnicking. A two-mile walking trail connects the park to the Village of Whitney Point. Three picnic shelters may be reserved for group gatherings.

The Otselic River flows into the lake from the north and continues south where it flows into the Tioughnioga River. The Tioughnioga empties into the Chenango River, which in turn flows into the Susquehanna River in Binghamton, 20 miles below the dam.

Be sure your **bar-end plugs are in place** and that your bike is in good working order.

BE AN AMBASSADOR

Please remember that members of the local community use the roads we race on. Realize that you are an ambassador for the sport and the event, and that the impact of your actions is far reaching. When you're out riding the course, please adhere to local traffic laws and go the extra mile to be courteous and respectful to residents. When training and racing, please follow these guidelines:

- Ride single file. This is not just for your safety but also to ensure local drivers can get where they need to go without delay and frustration.
- Obey traffic laws (stop at stop signs, signal when turning, etc.).
- Do not use private property as a toilet.
- Do not litter.
- Ask friends and family members to refrain from painting the roads along the course.

Every time a cyclist has an altercation with a driver, that driver sees other cyclists as the enemy. Every time a cyclist is courteous to a driver, that driver is more likely to treat other cyclists with respect and courtesy. Please think before you act.

USAT SafeSport

The U.S. Center for SafeSport created the Minor Athlete Abuse Prevention Policies (MAAPP), a collection of proactive prevention and training policies for the U.S. Olympic and Paralympic Movement to help create a safer and healthier environment in which minor athletes can thrive. As a member of USA Triathlon and participant at a USA Triathlon sanctioned event, you are required to follow these policies. As the MAAPP will be enforced at the Broome Country Triathlon, please review the MAAPP and USA Triathlon's SafeSport Policies and References [here](#).
