## In Memory of Joseph DeRose

This event is organized to honor the memory of Joseph “Joey” DeRose.

May 22, 2016 will mark two years since Joey suddenly passed away.

Like many others Joey battled with depression and chose suicide as his option for peace. Our goal is to reduce & eliminate the stigma associated with mental illness and to raise awareness & support for suicide prevention. We want to share Joey’s story and celebrate his life, along with so many other lives and encourage new beginnings because “YOU MATTER.”

## Co-Beneficiary

Legacy Treatment Services is a mental health and behavioral services organization whose mission is to change the behavioral health and social service outcomes for people of all ages from surviving to thriving.
