The Albany Ride for Missing Children is a long-standing Capital Region tradition dedicated to protecting children through education, awareness, and community engagement. Our 100-mile cycling event unites riders, law enforcement, schools, and community partners to raise awareness, honor families of missing children, and deliver critical child safety education directly to local students. Sponsorship support directly funds both the Ride and our free child safety education, outreach, and advocacy programs, helping us reach more schools and make a lasting impact across the Capital Region.
