

## Be a Part of Ohio's Premier Running Series!

January - December

Since 1999, the Ohio Challenge Series has been bringing runners together from all over Ohio. With races ranging from casual 5Ks to challenging half marathons, we offer something for everyone who loves to run. We're excited to invite your race to become part of the Ohio Challenge Series.

As a member, your event will join a community of more than 60 races spanning from Cleveland to Cincinnati, reaching over 20,000 participants and spectators every year.

By joining, your race can tap into more than two decades of building connections and promoting healthy lifestyles across Ohio.

Together, we'll inspire athletes, create meaningful connections, and make a lasting impact on our communities. We'd love to have you join us on this journey to keep promoting fitness, community spirit, and memorable race-day experiences.
