

Dear Petoskey Area Community,

Petoskey Children's Nature Preschool has been providing high-quality, early childhood education to the children of Northwest Michigan for 63 years! We are a **non-profit** 501(c)(3) preschool providing children with an enriching, play-based, child-centered environment to explore the world and relationships around them.

We are excited to bring back the **Dandelion Dash** as our primary fundraiser! The Dash will include a professionally timed 5K Trail Run, a 1 Mile Trail Run, and a Family Fun Run on May 16, 2026.

Last year was a huge success, with over 170 participants in our inaugural event!

This fundraiser is essential to help cover our operating costs, provide need-based scholarships to students, and keep tuition affordable for our current and future families. **We are seeking sponsorships and would love your help.**

Each 5K and 1 Mile participant will receive a T-shirt upon registration. Businesses donating \$1000 or more will have their logo printed on the T-shirts. The sooner we receive your tax-deductible donation, **the sooner we can add your logo to our advertisements!**

Thank you so much for your generosity and for being a part of our wonderful community.
