

Dear Community Partner,

I hope this letter finds you well. My name is Matthew Moore, and I am the President of Every Sole Counts, a non-profit organization dedicated to giving Athletes with Special Needs an equal footing to pursue outdoor activities like walking and running by removing financial and logistical barriers to obtaining appropriate equipment. We are reaching out to you today to request your support in the form of a sponsorship for our upcoming four-mile run/walk, "Four on the Fourth", which will take place on July 4, 2026, at Liberty Park in Batesville, Indiana.

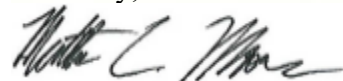

Our organization has been working tirelessly to raise funds that will support our mission to ensure that all Athletes with Special Needs have the necessary gear to pursue their passion for running and walking. This four-mile run/walk event is a crucial part of our efforts to empower Athletes with Special Needs by providing access to high-quality running gear that meets their individual needs. With your generous sponsorship, we will be able to cover the costs necessary to plan and execute a successful fundraising run/walk.

This will be a great opportunity for you and your company/organization to become involved in a worthy cause and also obtain inexpensive advertising. In recognition of your support, we would be delighted to offer you logo placement on our race banner, logo placement on the back of race t-shirts, mentions in promotional materials, social media recognition, premium advertising at mile markers, water stop(s) or on our bike marshal and more. We believe that this partnership will not only benefit our organization but also provide valuable exposure and goodwill for your company/organization, as this run/walk is being coordinated to tie in with other Fourth of July festivities taking place in the City of Batesville.

We have enclosed a sponsorship packet with more details about our Four on the Fourth four-mile run/walk and the various sponsorship levels available. We would be honored to discuss this opportunity further and answer any questions you may have. Please feel free to contact me at (812) 932-1227 or EverySoleCounts2024@gmail.com at your earliest convenience.

Thank you for considering our request. Your support would make a significant difference in helping us achieve our mission and positively impact our community. We look forward to the possibility of partnering with you.

Sincerely,

Matthew Moore
