

CORPORATE TEAM PACKAGES

The annual Tysons Chamber 5K for 2017, supporting the Cystic Fibrosis Foundation, will be held Sunday, April 30, 2016 at the Tysons Corner Center. It offers the opportunity for you to showcase your business, demonstrate your support for the Tysons Chamber and business community, and help raise money to support the Cystic Fibrosis Foundation, the world's leader in a search for a cure for people with cystic fibrosis (CF).

A local 5K run can be a great opportunity for your company to support both a healthy lifestyle and the local community. A corporate team can represent your company as active participants in a coordinated way, while also providing a great way to bolster employee engagement. Your team can make matching shirts and other paraphernalia, promote their team on social media or within the company, and even create competition within the team. We will help you organize by providing a team webpage to facilitate sign up, team interactions and track how much you have raised.

Each runner will receive a swag bag full of cards from restaurants and other vendors valued at over \$100, a Performance Race Day Shirt and a raffle ticket for a chance to win some great prizes. There will also be cash prizes to the Top 3 Male and Female 5K Runners. Strollers are permitted on the 1 mile course for the fun/walk.

We ask for upfront commitment to best provide your team a supporting infrastructure, to promote your company's involvement and give a significant per runner discount!
