DESCENT	19 m
HILLS	↗ 27.3% ↘ 27.3% → 45.5%
TERRAIN	Road A
START	LAT: 42.601172, LNG: -83.009240

NOTES

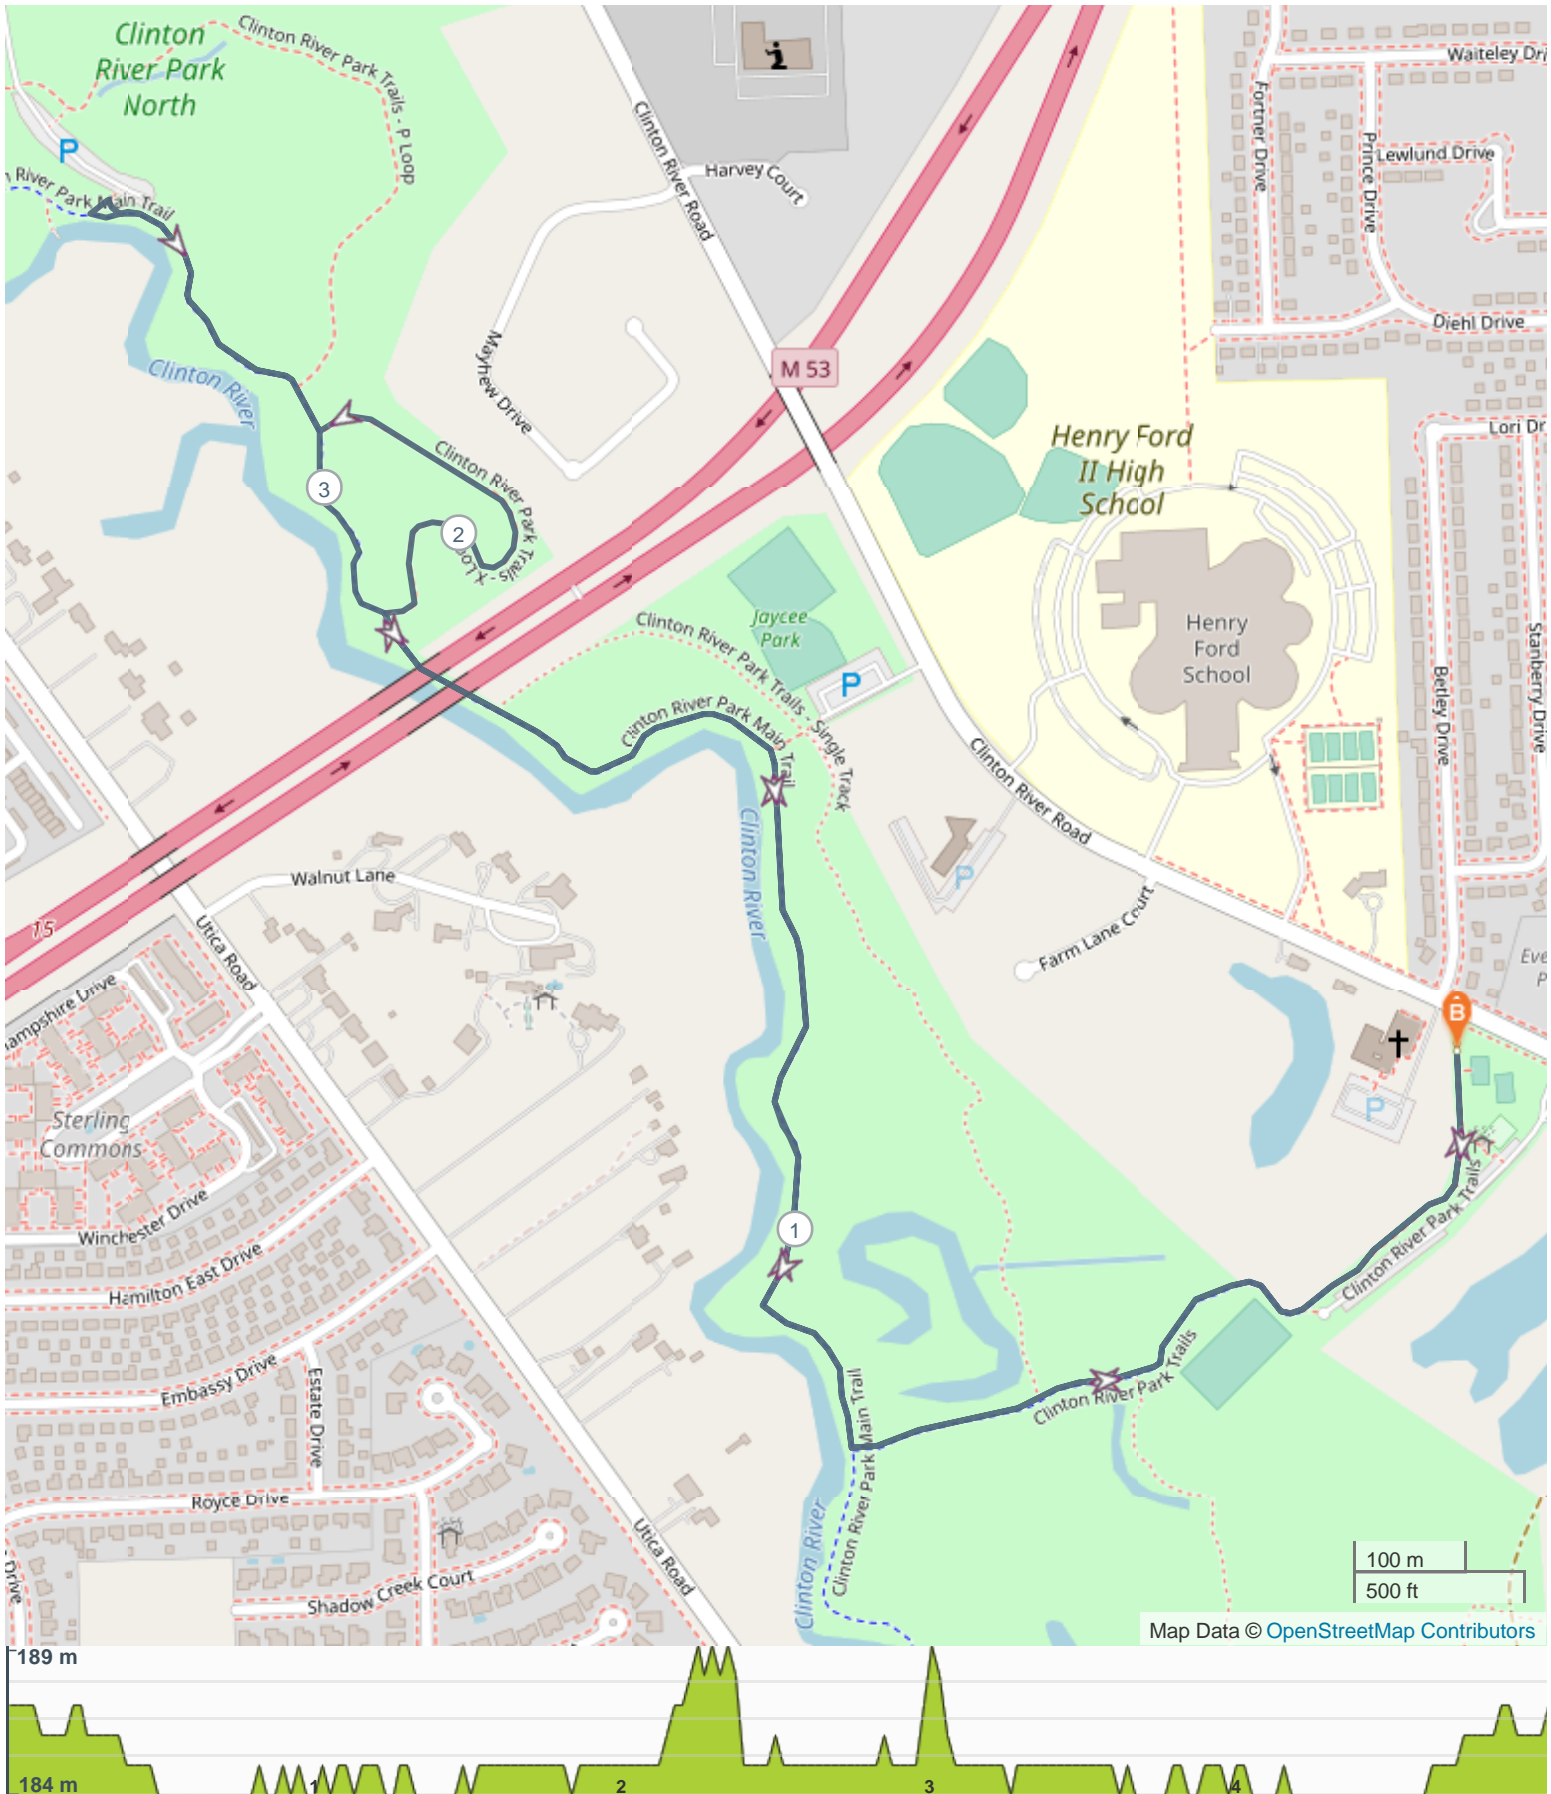

The Riverwood/Farmstead Park 5K course is a mostly flat, out-and-back loop, primarily utilizing paved trails within Farmstead and Clinton River Parks. The route features minimal elevation change, with a total ascent and descent of approximately 19 meters. The terrain is fully paved except for a brief, 37-meter dirt section at the parking lot midway loop.

- **Start:** Begin on the paved trail at Farmstead Park, aligned with the north (closest to the road) short edge of the basketball court.
- **Farmstead Park to Clinton River Main Trail:** Follow the paved trail from the start until reaching the first T intersection facing the Clinton River. Turn right onto the Clinton River Park Main Trail.
- **Continue Along Main Trail:** Stay on the paved Clinton River Park Main Trail. At the next T intersection, bear slightly left, ignoring the paved path branching right that leads toward Jaycee Park. Continue straight along the main trail. Pass underneath the VanDyke Freeway (M53) bridges.
- **X Loop:** Upon reaching the next T intersection, turn right onto the Clinton River Park Trails - X Loop. Follow the paved trail as it gently inclines along the backyards of nearby houses.
- **Return to Main Trail:** At the next T intersection, turn right to rejoin the Clinton River Park Main Trail, descending slightly downhill. Soon after, ignore the paved path branching to the right; stay left to continue straight on the main trail.
- **Parking Lot Loop:** Just before the kayak launch and near the end of the Clinton River Park parking lot,

turn right onto a dirt path leading toward the parking lot. Follow this dirt path, curving left to form a triangular loop. Make a sharp left to rejoin the Clinton River Park Main Trail, heading back toward the start.

- **Return to Farmstead Park:** As you head back, ignore the paved path branching left (previously passed on your right), continuing straight on the main trail. Ascend a moderate incline.
- **X Loop:** Upon reaching the next T intersection, continue right/straight along the main trail, ignoring the Clinton River Park Trails - X Loop to the left.
- **Under the Bridges:** As you approach the M53 bridges again, bear slightly right to continue under both bridges along the Clinton River Park Main Trail, ignoring the Clinton River Park Trails - X Loop to the left.
- **Continue Along Main Trail:** Stay on the paved Clinton River Park Main Trail. At the next T intersection, bear slightly right, ignoring the paved path branching left that leads toward Jaycee Park. Continue straight along the main trail.
- **Final Turn to Finish:** At the next T intersection (original intersection encountered at the beginning), turn left toward Farmstead Park, following the Clinton River Park Trails back to the finish.
- **Finish:** Complete your run where you started, on the paved trail at Farmstead Park, aligned with the north (closest to the road) short edge of the basketball court.
