

2026 Shrewsbury Trails 5K (trailscommittee@shrewsburyma.gov)

July 18, 2026

Dear Shrewsbury Community Member,

The Shrewsbury Trails Committee is excited to host our annual **Shrewsbury Trails 5k** on **Saturday, October 3, 2026**, at 9:00am. The Trail Race/Walk and Kids Fun Run will begin and end at Lake Street Park in Shrewsbury.

We are seeking financial or in-kind support from potential sponsors for this inaugural event. The attached page outlines our sponsorship details. Please contact us if you have any questions about sponsorship.

The mission of Shrewsbury Trails Committee is to *Preserve, Promote, and Protect* Shrewsbury's open spaces in partnership with Town Planning, Parks & Recreation, and Engineering Departments. Participants will have the opportunity to run on a variety of surfaces and trail conditions, from wide cart paths on the meadow loop to tight single-track trails along Meadow Brook. You'll pop in and out of heavily forested sections and run past visible beaver activity that are shaping our environment.

Through this race we endeavor to showcase one of our well-established trails systems and promote the use for a variety of activities. The Town of Shrewsbury is no stranger to successful and well attended run/walk/race events. With this trail event, we aim to bring the participants closer to nature with challenging terrain and chill vibes.

As you know, run/walks and races are wonderful community events that bring people together in a positive environment. As a local organization, your sponsorship for this race would be a great way to reach the local community and show your support for Trails and all open spaces in Shrewsbury.

Thank you for considering this opportunity to make a meaningful impact in Shrewsbury. We are truly grateful for the possibility of your generous support!

Sincerely,
Shrewsbury Trails Committee
