**Hooray! We're celebrating our 5th anniversary!**

The Liver Coalition of California was founded by medical specialists, transplant surgeons, patients, caregivers, and health advocates to promote liver health and support those affected by liver disease. *Our mission is to save lives by improving liver health and preventing liver disease through community-based education, linkages to care, advocacy, and research.*

Liver cancer is one of the fastest-rising causes of cancer death in the U.S.—yet three out of five cases are preventable. Our commitment to prevention focuses on addressing the leading causes: viral hepatitis, fatty liver disease, alcohol-related liver damage, and rare and pediatric liver conditions.

Together with our leadership and community partners, we're working to stop liver cancer before it starts—through culturally competent education, community-based screenings, and integrated care partnerships. But we can't do it alone.

**Join us for the San Diego Liver Walk & Picnic on November 23, 2025!**

📍 **NTC Park, Liberty Station**

🕒 **Registration & Resource Fair open at 8:00 AM**

🎉 **Festivities conclude at 1:00 P**

*The morning kicks off with a vibrant resource fair and fun fest, featuring activities for all ages. We'll celebrate top fundraising teams and individuals, the largest team, and the best team t-shirt design.*

The San Diego Liver Walk will be held at NTC Park, Liberty Station, 2455 Cushing Rd, San Diego, CA 92106. Registration and Resource Fair open at 8:00 AM with Festivities concluding at 1 pm.

Participants can choose between a 5K or 1-mile fun walk—furry friends welcome! After the walk, enjoy music, community, and a food truck picnic lunch for all preregistered attendees. Bring your blankets and beach chairs and settle in for a day of connection and celebration.

**We invite you to join us as an Exhibitor at \$2,000 and form a team!**

Each exhibitor will receive a 6-foot table and two chairs.

Let's work together to raise awareness, build community, and save lives.

**We look forward to welcoming you to this year's event.**

Warm regards,

Scott A. Suckow
