The Story of Chuck

Chuck Fast may have started in 2014 as a one-stage street party dreamed up by local legends Dave and Nan Evans, but it's grown into downtown Lake Charles' biggest celebration of Louisiana music, art, food, and culture — pulling in over 17,000 fans in 2024!

In 2020, Southwest Louisiana took a beating, but by 2022 the Arts & Humanities Council brought Chuck Fast roaring back. And in 2025, Dave himself is back in the family. He just can't stay away from the party he helped start.

Now, we're lacing up for the **Chuck Fast 5K**, presented in partnership with **House of Sole** and **Race Pace Multisport**

. This high-energy race kicks off the festival weekend, inviting runners, walkers, and festival fans to hit the streets in celebration of our community's creativity and resilience.

Just like Chuck Fast fuels downtown's economy and spotlights local talent, the 5K helps generate vital support for the Arts & Humanities Council's year-round mission by sustaining our creative economy and keeping Southwest Louisiana's arts scene vibrant 365 days a year.
