

Algonac High School Cross Country Course

COURSE DESCRIPTION

The first loop takes runners between our softball and baseball fields. They then follow the tree-line and turn left heading west into our 3/4 mile wooded trail. The mile mark is in the woods.

Upon exiting the woods, runners then head to the baseball field where they will cross the outfield and rejoin the first loop.

After going through the wooded trail a second time, runners exit the woods turning right and following the path leading to the track and the finish.

Course Measurement

First Loop:	2,795'
Woods Loop:	4,190'
Second Loop:	3,714'
Woods Loop:	4,190'
Finish Loop:	1,515'

Total: 16,404
