2024 Thin Mint Sprint

Fundraising Guide

Rules for Team Fundraising

For our 20th Annual Thin Mint Sprint, we will continue to offer individuals and troops the option to fundraise to earn a portion of the proceeds for troops. Proceeds are determined by individual accounts, whether fundraising as an individual or part of a Troop Team.

**Only GSNI Troops are eligible for this option. Proceeds may only be deposited into a verified GSNI Troop bank account.*

How troop proceeds are determined:

If the individual **HAS NOT** selected to **earn a registration refund**:

Troops receive 50% of the total fundraised by the individual. Proceeds will be direct deposited into their troop account; individuals do not receive a check.

If the individual **HAS** selected to **earn a registration refund**:

For the first \$200 donated, \$100 will go to Thin Mint Sprint proceeds, \$35 goes to pay the registration fee, and the remaining \$65 goes to the his/her selected Troop Team. Troops receive 50% of any proceeds raised over the initial \$200 individual fundraising goal. Proceeds will be direct deposited into their troop account; individuals do not receive a check.
