

## Pop-up concert #2 (Wednesday May 27th, 12:00-12:30 p.m.)

### Repertoire and Order

- G. F. Handel Concerto Grosso Op 6 no 1 in G major 12 mins
- Gustav Holst St. Paul's Suite 1st movt (Jig) 4 mins
- Fiddlers Fortune trad tunes (arr. Renata Bratt) 4 mins

### Notes about the repertoire:

**For the Handel**, violins will see a concertino and ripieno on the same part. Ensemble SF will play any solo parts, while others play the ripieno/tutti parts. Though the score includes two oboe parts, we will omit them. Handel's original version was without oboes. **Holst St. Paul's Suite**, First movement ONLY (Jig) Exciting to play and listen to but not too difficult. It is the first 7 pages of the score. In the parts, The Jig is just the first 3 pages (2 pages for Bass).
