I know that running or walking in a road race is a potentially dangerous activity. I should not enter and run/walk unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete the run/walk. I assume all risks associated with running or walking in this event including, but not limited to contact with other participants, the effects of the weather, including high heat and/or humidity, traffic, and the conditions of the road/sidewalk, all such risks being known and appreciated by me. Having read this waiver and knowing these facts, and in consideration of your accepting my entry, I form myself and anyone on my behalf: waive and release the American Cancer Society, Relay For Life, the 5K walk/run committee and the City of Sidney, and all race sponsors, supporters and officials, their representatives and successors from all claims of liabilities of any kind arising out of this event for any legitimate purpose.
