# CARLOS NEGRON MEMORIAL RUN

Carlos Negrón, a life-long resident of Jersey City was in his thirteenth year as a Jersey City firefighter when he made the

supreme sacrifice. Off-duty at the time, Carlos was assisting fellow firefighters at a 3 Alarm fire on March 20, 1993, when the ladder he was raising became charged with high voltage from a near-by cable. Carlos left behind a widow and two children, one of whom today is a member of the JC EMS family today. This race, hosted by the Jersey City Fire Department and generously supported by our corporate community, is dedicated to his memory.

Proceeds benefit **The Burn Center at Cooperman Barnabas**, NJ's premier center. Your support helps the more than 400 adults and children recover from serious burn injuries each year.
