

Dear Potential Race for the Summitt Sponsor,

We are excited to announce that the **12th Annual Race for the Summitt 5K** will be held on **October 4th, 2025, at UT Research Park along the Cherokee Farms Greenway (2641 Osprey Vista Way) in Knoxville, Tennessee.** This annual event is organized by the American Pharmacists Association – Academy of Student Pharmacists (APhA-ASP) chapter at the University of Tennessee Health Science Center College of Pharmacy. The Race for the Summitt proudly supports the **Pat Summitt Foundation**, which is dedicated to advancing education, research, and awareness surrounding Alzheimer's disease.

Each year, the race continues to grow, and we're looking forward to welcoming even more participants this year as we work together to raise critical funds for the Foundation's important mission.

Last year's race was filled with energy, excitement, and unforgettable moments. For 2025, we're building on that momentum by bringing back some of our most popular features and introducing new elements to make this year's race even more exciting:

- 5K race at The Cherokee Farms Greenway
- Food truck on-site on race day
- An expanded silent auction with even more incredible items

The success of this non-profit event is made possible by the generosity of volunteers and sponsors like you. Your support allows us to continue making a meaningful impact in the fight against Alzheimer's disease, while also providing your business with valuable exposure to hundreds of participants and community members. **Sponsors will enjoy the opportunity to promote their business through our sponsor exhibit area and will have their company name and logo featured on race t-shirts and promotional materials—offering lasting visibility long after race day.**

Enclosed you will find a list of sponsorship opportunities for the upcoming race. If you would like to participate, please submit your sponsorship selection by **September 5th, 2025**, to ensure your name and logo are included on banners, t-shirts, and race materials.

If you have any questions, please feel free to contact us directly:
