

Dear Community Partner:

We need your help to continue supporting local families, kids, and adults with Autism! Please donate or participate in our **12th Annual Aut2Run and Community Resource Fair**, which will be held in-person on Sunday, April 28, 2024 on the beautiful campus of CSU Channel Islands. Our very popular event helps raise awareness and support for those living with Autism in Ventura County. We would greatly appreciate your sponsorship and participation in our event!

Aut2Run is the area's largest event focused on Autism awareness, acceptance, and action. We proudly host 3,000 participants, 1,000 guests, and over 50 local companies. Aut2Run attracts locals from all over the county, and visitors from all over the country. We need your support more than ever! Your sponsorship of Aut2Run helps us to continue our current programs and add new programs as the world shifts. These are just some of our current offerings:

- ☐ Training to our partners in law enforcement and to first responders to identify and safely respond to someone with Autism in an emergency.
- ☐ Support, information, and resource referrals to families and community members on our hotline and website.
- ☐ Networking for families, kids and adults with Autism that help them connect with each other and build a support system, including our very loved virtual art classes.
- ☐ Community outreach, education and advocacy regarding employment, lifelong support options, education, and more.
- ☐ An advocacy committee that trains self-advocates, families, and community members how to effectively advocate at school board, city council, and county supervisor meetings for the unique needs of our population.

Aut2Run features a competitive 5K/10K walk/run and a Fun-K for the kids. The resource fair is open to the public. Participants receive event t-shirts and a unique finisher's medal. For more information on the event please go to [www.Aut2Run.org](http://www.Aut2Run.org) or call us directly.

We sincerely hope you will join us in our mission to improve the lives of all impacted by Autism in Ventura County by sponsoring our event. Enclosed with this letter, please find the sponsorship form due by April 5, 2024.

Thank you!
