Who can submit? The contest is open to all members of the Ventura County community who have Autism. There are no age restrictions. Two entries per person allowed.

Contest deadline: All entries must be **received no later than January 4, 2027.**

Prizes: The winning entry will receive 10 t-shirts and 5 race entries. They will also be recognized at the event and on the race website.

Autism Society Ventura County PO Box 1558,

programs@autismventura.org

Art format: All artistic design formats are welcome; however, keep in mind that the design will need to be transferred by the t-shirt printer to an electronic format. Pen, pencil, crayon, and paint, along with digital designs are the most popular. You may use color. **The final design may be limited to 3 colors.**

Design ideas: 2027 is the 15th Annual Aut2Run event and this year's theme is **"Aut 2 Achieve Anything! Celebrating 15 years with miles, stories, and smiles".** This year is a celebration of **15 YEARS** of putting on Aut2Run! ASVC has moved away from using puzzle pieces in our marketing. Please avoid including them in your design submission. The Aut2Run event focuses on running and walking, as well as involving people of all ages to come together to support individuals living with Autism and their families.

The ASVC Board and the Aut2Run Planning Committee reserve the right to select the contest winner from all suitable entries. The designer and/or their parent attests that this is the designer's own, original artwork and he/she waives all rights to royalties beyond above-mentioned contest prizes. The designer further understands that their name and age will be published at the event and on the website with their design and their photograph.
