Weather - The race will be held rain or shine. If there is lightning in the area the race will either have a delayed start or, depending on the intensity of the weather, be canceled. The determination will be made by the Race Director & Staff. Lightning Policy - Event operations will shut down when lightning is 10 miles out from the event areas. Event operations will not resume until the lightning is 10 miles out and moving away from the event areas. The Race Director will determine this using the "Flash to Bang Rule" and weather radar, and determine a course of action to utilize the operational rain plan, delay the event, or cancel the event. "Flash to Bang Rule" is applied by measuring the time (in seconds) between a visual lightning "Flash" and hearing the resulting "Bang". This time is then divided by a factor of "5" to obtain distance in miles. For example, 50 seconds between "Flash" and "Bang" divided by "5" equals 10 miles. As a reminder, the registration fees are non-refundable. Anyone under 18 years of age, a parent or legal guardian's signature is required.
