September is Childhood Cancer Awareness Month. Over 11,000 children will be diagnosed with cancer in 2013. Please consider sponsoring this effort to raise money for the Wichita-based Dragon Master Foundation. Dragon Master Foundation seeks to speed research efforts by providing a comprehensive research database available to doctors and researchers nationwide. Collaborative by design, this database will work with existing hospitals and non-profit organizations to compile existing data and create new records that will be accessible to qualified researchers for free.
