Join the **Compassion4Kids** story by helping children and teens in Kenya, Africa. In 2015, through the help of a race and a concert, we raised \$15,000 to provide gutter systems and clean water storage tanks to the dry areas of Makueni, Kenya. In 2016, the Compassion4Kids Race raised another \$4,000, which benefitted three communities in Kenya. The race money helped finance classroom furniture in Kathyaka, as well as books for the resource center in Makindu, both in rural Makueni, Kenya. The 2016 race money also provided for the purchase of hair salon equipment in the Korogocho slums of Nairobi, Kenya; as a result, young mothers and urban youth in the slums are being trained and equipped for jobs and careers in the hair care industry. These fundraising events also led to the sponsorship of more children through Compassion International's child-sponsorship program.

As with the past two races, **100% of the profits of the 2018 race will go directly to Kenya!** This year our goal is to provide the youth of communities with learning materials for their resource centers (i.e. textbooks, workbooks, and Bibles). Hope is growing in these African communities, and we want to fan the flame of that hope! Thank you for supporting our vision!
